

Indigenous Valuations and Litigation Support Services

Whether you are buying or selling a business, dealing with a potential litigious matter, a shareholder dispute or making financial-based decisions, it's important to know what drives value for your Nation, so you can make more informed business decisions now and in the future. That's where MNP can help.

HOW MNP CAN HELP

Valuations

We understand a business valuation is an essential part of developing effective strategic plans and helps you to make rational and value-driven business decisions.

As industry-leading valuation professionals, MNP brings the technical, financial and industry insight to develop a business valuation that identifies the future potential for your Nation, organization or Indigenous economic development corporation.

Litigation Support

Whether your Nation or business entity is advancing or defending against a legal action, we work with your legal team to understand and support your case.

Our valuers, economists, statisticians, computer forensic specialists and forensic accountants collect data, analyze evidence and provide expert testimony to optimize the results in any legal situation.

OUR BUSINESS VALUATION SERVICES

If you are looking to purchase an existing business, or are considering a partnership or joint venture agreement, we can provide comprehensive valuation services for a range of transactions that can lead to exciting new opportunities for your Nation.

Having worked closely with a range of industries, as well as both private and public companies, we bring a deep level of expertise and experience to every engagement, providing the clear, unbiased insight you need.

Common reasons for a business valuation include:

- A potential purchase or sale of a business (part of the due diligence process)
- Financing
- Land claims – loss of use
- Tax planning
- Corporate reorganization
- Insurance coverage
- Assessing the value of intangible assets
- Certificate of Financial Advice

OUR LITIGATION SUPPORT SERVICES

Our full-service team of professionals and experts provides the support you need at every step of the dispute process. Backed by extensive experience and knowledge, we work closely with you and your legal team to gather data and undertake analysis relevant to the dispute, ensuring a complete and comprehensive package is built for your specific case.

Familiar with rules of court and essential reporting requirements, MNP has the expertise to provide financial litigation support services and expert testimony in legal actions.

MNP can assist in a wide range of litigation actions, including:

- Breach of Contract / Fiduciary Duty – quantification of damages
- Business Interruption – loss claims
- Expert Witness Testimony – financial issues
- Joint Venture

ABOUT MNP

MNP is a leading national accounting, tax and consulting firm to Canada's Indigenous communities. We have invested more time and resources into understanding Indigenous needs than any other firm. With more than 250 Indigenous clients and 300 professionals, MNP has developed a diverse suite of services designed to preserve our clients' traditions and position them for success.
