

CONTROLLER

Synnapex Inc., a premier provider of technology professional services and hardware solutions, is seeking a highly experienced and results-oriented Controller to join our expanding team.

As a Controller in a dynamic and growth-oriented environment, you will be instrumental in shaping the financial landscape of the organization. Your expertise will be crucial in streamlining financial operations, ensuring compliance with industry standards, and fostering a culture of financial integrity and accountability. You will work closely with senior management to drive strategic financial decisions and provide insights that will guide the strategic direction for the Company.

YOUR DAY TO DAY

- Supporting the growth and development of the Accounting and Finance team.
- Developing and maintaining financial policies and procedures to ensure accurate financial record-keeping and reporting.
- Establishing SOP's to ensure consistency and support staff training.
- Ensuring compliance with financial regulations and standards.
- Managing the preparation and analysis of financial statements, including balance sheets, income statements, and cash flow statements.
- Overseeing internal audits and controls to ensure accuracy and reliability in financial reporting.
- Coordinating with external auditors and preparing audit reports.
- Developing and implementing financial strategies that align with the company's business goals.
- Collaborating with leadership to create and manage budgets and financial forecasts.
- Monitoring and managing the company's financial performance and identifying areas for cost reduction and efficiency improvement.
- Assist in the selection and implementation of accounting software ensuring integration with Salesforce.
- Manage the day-to-day accounting, accounts receivable, accounts payable, cash management, and financial reporting needs of the business.

WHAT YOU BRING

- Bachelor's degree in Finance, Accounting, or a related field.
- Minimum of 5 years of experience in finance or accounting roles.
- CPA designation is required.
- Experience in managed services, professional services, or related industries.
- Strong knowledge of QuickBooks Enterprise (desktop) and experience with software implementation.
- Strong spirit of collaboration and teamwork.
- Excellent organizational skills, rigor, autonomy, and attention to detail.

- Excellent communication skills.

WHAT'S IN IT FOR YOU

- Competitive salary.
- Vacation and paid time off.
- Standard group benefits.
- Performance-based bonus.

We believe every employee should have the opportunity to participate and succeed. Through leadership by our Diversity, Equity and Inclusion Leader, we are committed to a workplace culture of respect, inclusion, and diversity. We recognize and celebrate the valuable differences among each of us, including race, religious beliefs, physical or mental disabilities, age, place of origin, marital status, family status, gender or gender identity and sexual orientation. If you require accommodation to complete the application process, please forward your resume to felicia.scaviarupi@mnp.ca.
